

SECOND ANNOUNCEMENT

XXV Galyna Puchkovska International School-Seminar “Spectroscopy of Molecules and Crystals” (XXV ISSSMC)

September 21-24, 2021
Kyiv, Ukraine

Taylor & Francis
Taylor & Francis Group

Dear Colleagues,

In the Second Announcement please find the current key information concerning the XXV Galyna Puchkovska International School-Seminar “Spectroscopy of Molecules and Crystals” (XXV ISSSMC).

XXV ISSSMC will be held in two formats. The School-Seminar opening and the first Plenary session will be held in-person at the Main Conference Hall of the Institute of Physics. Other reports will be presented in an online format. During the School-Seminar, you will be able to watch and listen to pre-recorded lectures or Power-Point presentation at our conference website, as well as submit your questions for a discussion (see instructions below).

Topics

- crystalline solids and magnetic materials
- nanostructured systems
- surfaces, interfaces and thin films
- liquid crystals and colloids
- liquids and amorphous materials
- polymers and biological systems
- materials for opto- and molecular electronics
- spectroscopic methods and applications

Organizers

- Institute of Physics NAS of Ukraine
- Taras Shevchenko National University of Kyiv
- Ukrainian Physical Society

Confirmed Plenary Speakers

Henryk Ratajczak, *Polish Academy of Sciences, Wroclaw*

Wiesław Stręk, *Institute of Low Temperatures and Structure Research, Poland*

Mykhailo Bondar, *Institute of Physics, Kyiv, Ukraine*

Valeriy Yashchuk, *Taras Shevchenko National University of Kyiv, Ukraine*

Yulian Vysochanskii, *Institute for Solid State Physics and Chemistry, Uzhhorod National University, Uzhhorod, Ukraine*

Longin Lisetski, *Institute for Scintillation Materials, Kharkiv*

Andriy Kadashchuk, *Institute of Physics, Kyiv, Ukraine, IMEC, Leuven, Belgium*

Marek Drozd, *Institute of Low Temperatures and Structure Research, Poland*

Dana Dorohoi, *Spectroscopy Department, University of Iasi, Romania*

Alexander Sorokin, *Institute for Scintillation Materials, Kharkiv*

Andriy Dmytruk, *Institute of Physics, Kyiv, Ukraine*

Galyna Dovbeshko, *Institute of Physics, Kyiv, Ukraine*

Alexey Tsyganenko, *V.A.Fock Institute of Physics, St.Petersburg State University, Russia*

The preliminary XXV ISSSMC Schedule and Scientific Program will be posted on our conference web-site.

Registration fee

Please note that only presentations of the participants with the paid Registration fee in amount of 300 UAH or equivalent will be included to the Conference Program and the Book of Abstracts. The Registration fee payment should be made via bank transfer to the account below.

XXV ISSSMC Proceedings

The invited lectures and a selection of the contributed papers will be published as a special issue of the **Molecular Crystals and Liquid Crystals** (Taylor & Francis) journal. The submissions made up to 1 month after the end of the Conference can still be considered for the special issue. All papers will be passed through the refereeing process and should comply with the standards expected for publication by the MCLC Journal in a regular issue. Organizers would appreciate information on planned submission for publication in the special issue.

Please remember that your manuscripts will be published only in a case of the Conference fee payment.

Important Dates

**Conference Fee payment deadline –
1.08.2021**

Presentation submission – 20.09.2021

**MCLC Manuscript submission –
31.10.2021**

Instructions for preparing online presentations

Lectures and oral presentations

Presentations only in *.ppt, *.pptx, or *.odt format are accepted. Using MS PowerPoint 2010 or newer edition, record a slide show with narration and slide timings. To convert the narrated presentations to video, use "Save/export your presentation to a video file format (.mp4 or .wmv)" option to create video files. Users of older versions of MS PowerPoint that is not capable to generate video files directly may use screen capturing program like CamStudio or FreeCam to record their presentations and voice.

Poster presentations

For digital presentations, poster reports should be prepared in a PDF format.

Files uploading

All PDF presentations should be submitted to the Organizing Committee by email: isssmc25@gmail.com

Venue

The XXV ISSSMC will be held online from the location of the Institute of Physics NAS of Ukraine, Kyiv
